SASKATCHEWAN MUSLIMS CONDEMN ACTS OF VANDALISM

(Regina, SK – 3/24/2004) Muslims for Peace & Justice (MPJ), a Saskatchewan-based Muslim outreach organization, today condemned the recent acts of vandalism that targeted several Jewish homes and a Jewish cemetery in the Toronto area.

“As Canadians, we speak out against these brazen acts that have been directed against the Jewish community. Canadians cherish the values of tolerance and mutual respect. Such acts of vandalism go against what Canada is all about,” said Tracy Shier, Vice-President of MPJ.

“All Canadians must feel safe and secure living in this country. We hope that the perpetrators are swiftly brought to justice,” she added.
